• *Only \$7.80 for the entire year!*

All art in black and white only

HERE IS AN EASY WAY to have professional art work on anything you wish to print to promote your church activities. The images may be scanned to use digitally or cut out and pasted into your project. You are all set to produce attractive, eye-catching material. Use the art to help promote activities for your church program, and to encourage faithfulness on the part of your people. Encourage them in attendance, personal devotions, stewardship, evangelism, and whatever other emphasis you wish to make.

We will also try to give you designs you need. Your suggestions are welcome.

Please enroll our church in the Cathedral Press quarterly clip-art service beginning with the next quarter. Churches enrolled in our continuous bulletin service will be billed \$1.95 per quarter. Those customers who are not enrolled in our continuous service may purchase the clip-art each quarter for \$12.00 per year. **Shipping charges will be added to each order. Canadian customers will also be billed the current currency exchange rate.**
