Brasstone aluminum has a permanent, polished finish due to an exclusive anodizing process. It never requires polishing, and the beautiful finish matches other brass appointments.

Silvertone aluminum has a permanent, polished finish due to an exclusive anodizing process and will never tarnish.

Polished aluminum has a mirror-like luster and will provide years of service. All polished aluminum finishes will require occasional polishing. Ideal for churches with limited budgets.

Glasses and disposable cups sold separately. See column at right.
